Front Grille Smart Fortwo 451

Photo 1: The Front Grille for Smart Fortwo 451 by Smart Power Design (front view).

All work should be performed with the utmost care to avoid any damage.

Please check that the parts listed are complete before starting the installation.

For the painting of the Front Spoiler no specific instructions have to be followed.

Parts List

1 x Front Grille
1 x Polyurethane Glue
1 x Mercedes Star

Instructions

1. Clean the vehicle first carefully clean and degrease the hood with the cleaning cloth.
2. Mark the center initially to the correct installation position of the panel on the top and on the bottom surface of the hood.
3. On the back of the front grille put up, left and right, the necessary supplied Polyurethane adhesive. Please ensure that you to 32 cm the necessary Polyurethane glue inserting on the right and left side. See Photo 2.
4. Now carefully place the mask on the hood where there you marked at the step 2 and stick the mask with adhesive tape.
5. After 24 hours remove the tape from the mask.
6. Don't forget that for the first 24 hours you mustn't drive faster than 80km/h.
7. You are ready! Installation completed
