A.C. Balls Smart Fortwo 450

Photo 1: Smart Power Design's Air Condition's Ball for the Smart Fortwo 450 (photo inside the car).

All work should be performed with the utmost care to avoid any damage.

Please check that the parts listed are complete before starting the installation.

For the painting of the Front Spoiler no specific instructions have to be followed.

Parts List

2 x A.C. Balls (one for
each side)

Instructions

1. Pull slightly the side holder in order to remove the existing air-condition ball.
2. Place the new air-condition ball.

Enjoy what you have just installed. We hope that you are not going to like it but to love it as it fits perfectly on your lovely Smart Fortwo 450.

We would like to thank you for purchasing from Smart Power Design, a company specialized in Smart Tuning and Accessories.
